

Past Authors by Year in WHS Annual Volumes

- 1) * in **Name** column means the article is non-bylined but in many cases the author can (and has been) attributed. When impossible to determine the author, ?? ?? appears. Further attributions welcomed.
- 2) † appears at right end of **Article** column indicating that this article also appears in the Centennial Supplement issued in 2012.
- 3) 100a in **Vol #** column indicates the Centennial Supplement issued in 2012.
- 4) The number following the year indicates the position the article in the publication: 01 means it is first after the contents...08 means it is eighth, etc
- 5) The listing begins with the current annual volume and works its way back to #1 in 1913.
